

GLOBAL FELLOWS - APPLICATION FORM - APPLY BY NOVEMBER 15TH, 2018

WHAT IS A GLOBAL FELLOW?

The Global Fellows program offers professional fellowships in private, NGO, and governmental entities in Israel. The Fellowships involve design and implementation of specific solutions for project and program priorities for their host countries in developing economies.

WHO SHOULD PARTICIPATE?

The Global Fellows are targeted to early career professional staff within operational ministries, e.g. agriculture, water, energy, national economic development boards, and businesses and NGOs involved in development projects and program.

Application 2018-2019

1. Contact Information

First Name (English) _____ Last Name (English) _____

E-Mail _____

Address _____ City _____ Country _____

2. Education

Please detail your education background. List all degrees you have completed or are pursuing (even if you have not finished your studies).
